### TESTIMONIALS

"I love teaching watercolor, but just don't  
have the space to do it in my home studio.  
The Artworks classrooms have great light,  
large tables, tons of easels and large sinks.  
Best of all, my students can store their  
work at Artworks till their next class."

— GAIL BRACEGIRDLE, ART TEACHER,  
GAILBRACEGIRDLE.ARTSPAN.COM

"Both children and their parents love  
arts-themed birthday parties at Artworks.  
The space is big, open and inspiring for  
the children, and parents don't have to  
worry about paint spills on the carpet,  
or crayon markings on the walls in their  
home. Birthday parties at Artworks  
provide a wonderful hands-on experi-  
ence, along with artistic fun and freedom  
for everyone!"

— LISA KASABACH, CITY SMILES,  
WWW.CITYSMILES.ORG

"Artworks' three classrooms work great for  
individual workshops or in tandem when  
running multiple seminars at one time.  
If you're looking for a training space that  
will inspire your guests to think outside of  
the box, Artworks is your solution.
